Marion Hanna
Nominating Committee Chair (2007-8)

PRESIDENT'S MESSAGE

While the coming year should be an exciting one, filled with campaign debates and promises by potential candidates leading up to the Presidential election, and with our Voter Service Committee busy providing information on voting and registration, our LWV of Huntington is also planning some interesting meetings for our members and the community. Please check the calendar on page 9 of this Voter for the monthly dates, times and locations for them.

In February, we will show the movie "Exonerated," with a discussion of the death penalty to follow. Our March meeting will have the inspiring film "Iron Jawed Angels," which is about the struggle to obtain the right to vote for women. The movie will be followed by a discussion. April's meeting will present the Compact for a National Popular Vote, a proposal that would circumvent the Electoral College and which was learned about at the League's State Convention. It will be proposed at the National Convention as a study to be adopted. In May, we will hear from the Progressive Coalition about Health Care; and we'll end the season in June with our Annual Meeting and Dinner.

Don't forget that all members are welcome to our monthly board meetings; just call (421-5164) to let us know you're coming and to get directions. Also call if you want to join our informal get-togethers on the second Thursday afternoon of each month at the Community Cinema for a movie and snack.

Marilyn Brown
